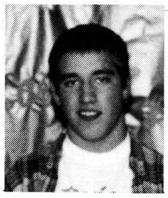
Blocking the Opposition



Well, after the season was over I looked back and was depressed about our record but I was happy at the same time because I made it the best season I could. It was a lot of fun. I'm going to miss the atmosphere of high school football. Who knows, I might play some college ball, but its not the same. If I could keep playing, there would be no doubt I would do it again.

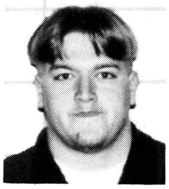
Keith Mayer

It hurts having to adjust to a new coach, and also having to learn a new system. We lost a couple of games that we should've won, but I think the juniors learned and know what kind of dedication it takes to win ball games now. All in all, I wish we could've put more W's on the board. But I had a fun senior year. and good luck to the Varsity next year!

Dave Flores

Football has been a strange experience this year. It was real hard losing all those games, and as a senior it was even harder. It real hard to believe I'll never play football again.

David Howard



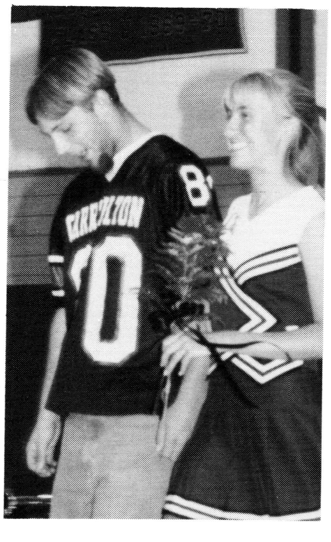
We didn't have the best record this season. But we still had a good one. Despite the score we were in a lot of games. There were a couple we should have won, a few that just got away from us. I couldn't have wished for a better team to play with and I wish the upcoming '98 team the best of luck!

Jason Pappas

The "97" Football season was filled with excitement and enthusiasm. The football team was poised and ready but was faced with many obstacles to overcome. The team had to learn (in a very short period of time) and entirely new offense and new defense. They had to adjust to a new coaching staff and were faced with many injuries and illnesses. The lessons learned were far more important than just wins and losses, and the ultimate victory in life will come to these hard working Cavaliers. I and the coaches are very proud of these young men.

Coach Doty

Above, Dave Flores takes the fake just before Matt Kowalski gives the ball to #40. Below, Rick Bisbey hangs his head as Jessica Wall walks him to be introduced.



Left, the team lines up to pound their worthy opponents. Right, Mike Reyes stands up the ball carrier as Dave Flores gets ready to finish him off.

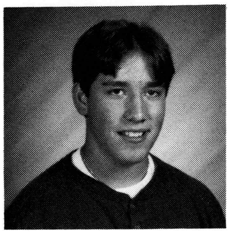
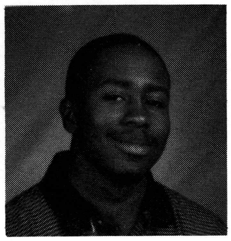
"It's hard starting the season off with a new coach after not having been able to work with him in the summer. We started out the season not knowing how to play as a team but as the season went on it got better. I think that next year when the team matures, they will be a hard working team."

Captain Jason Jaremba



"It's hard coming in with a new coach—again! I'm really happy about this season from a personal point of view. Last year I barely got in the game and this year I practically didn't come out. Even though as a team we didn't get a lot of wins, it was still fun."

Captain Keith Mayer



"This year was a rebuilding year for us. We had a lot of first year players and a first year coach. Our seniors showed true leadership to help us through. Our younger players matured as the season increased and played as well as anyone else on the floor. I believe next year we will have a very good team."

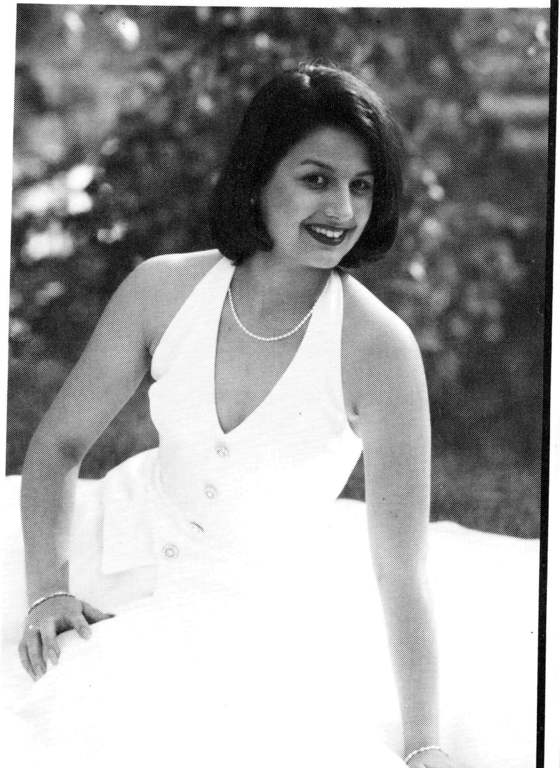
Adrien,

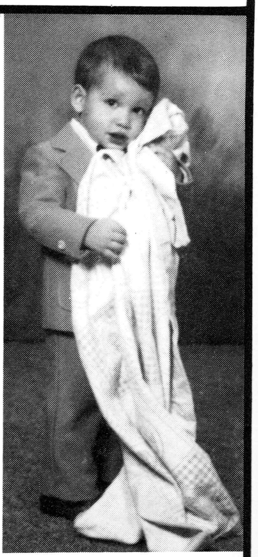
As you now walk down the path of life,
There will be times you may stumble or fall,
But always remember, Dad and I will pick you up
And help you along the way.

We are very proud of you!!

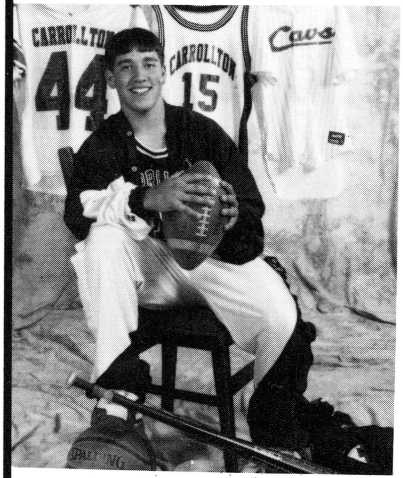
All our love,
Dad, Mom, Eric, Andre and Brandon



I sometimes wish you were still small,
Not yet so big and strong and tall.
For when I think of yesterday,
I close my eyes and see you play.



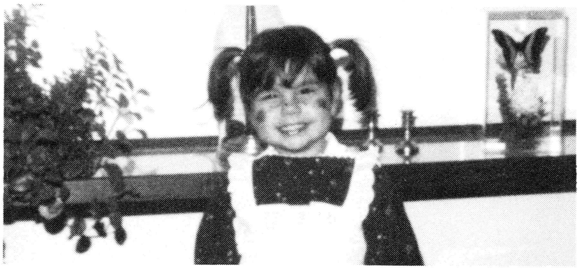
I often miss that little boy
Who pestered me to buy a toy,
Who filled my days with pure delight
From early morn to late at night.

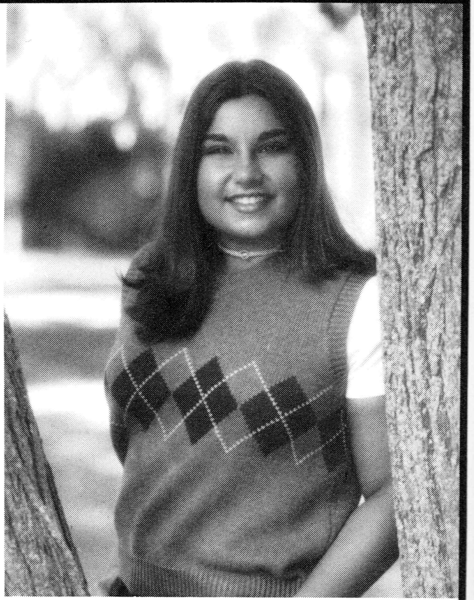


We watch our children change and grow
As seasons come, then quickly go.
But our God has a perfect plan
To shape a boy into a man.

Today, My Son, I'm proud of you
For all the thoughtful things you do.
I'll love you till my days are done,
And I'm so grateful you're my son.

Love: Mom ~ Dad ~ Karin ~ Kyle ~ Karlie





Couldn't be prouder when our first daughter was born.
Her talkative ways and the costumes she adorned.
Right from the first she loved to dance and sing,
In plays and in sports, oh, the joy she did bring.
Spirit and heart make her an individual with lot,
To family and friends she gives all she's got.
Idealistic in thinking she's prone to be outspoken.
Never did we doubt what a fine young woman she'd become.
Everything she hopes for in the future, we hope for and then some.

God Bless you, CHRISTINE.
Love, Dad and Mom

Andrea,
It seems like only yesterday God blessed us with this tiny little girl. You made all our dreams come true. Today you are a beautiful young lady and it is time to make your dreams come true.

We love and support you
and wish you success.
The sky is your limit.

You may endure some storms but we know you will make beautiful rainbows.

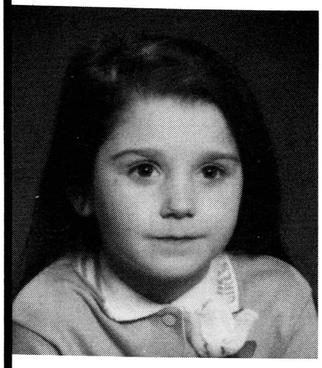
To Our Stefanie!

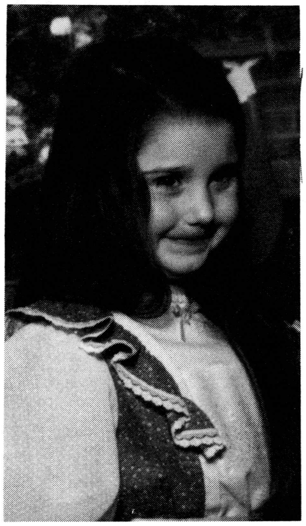
You have always been as close
to perfect as any child can be.

We remember when you were too
young to read, always asking us
to read to you "one more time"
until we read about twenty books
a day!



Even though you've grown and
changed through the years, one
thing that has stayed the same
is your messy room (Ha Ha!)

Your Grandpa would've been
as proud as we are.



Congratulations,
We love you very much
and are so proud of you!
